THE LIFE • THE LEGACY

CONEIC

PARKER-PRICE

On July 29, 1974, God sent a honey bee to earth by way of the late Elder Jesse Mae Parker, Hilton “Mickey” Johnson, and Jimmie Lee Parker, that we know and love as Coneic LaShaun Parker. Coneic was light, laughter, and love— a radiant force who carried elegance, courage, and authenticity through every chapter of her journey until her departure on May 26, 2025.

She accepted Christ at a young age and began serving in ministry as a praise dancer. The beginning was only the start of what would expand into more creative expressions and a passion for sharing vibrance with the world. She graduated from Brazoswood High School in 1992 and found her true calling to bring light and love to people all around the nation as a Licensed Cosmetologist in 2004. Coneic understood her mission was more than styling hair, but her insight was to help minister to every individual who sat in her chair.

Coneic was a natural nurturer and a creative spirit. Her passion for beauty and connection led her into a career as a hair stylist, where she used her hands, heart, and artistry to uplift and empower others. Her salon chair was a space of healing, conversation, and transformation, where clients became family and everyone left feeling seen, heard, and loved. She facilitated this transformative experience when she opened The Beehive Salon in 2013. Some of her most notable career accomplishments during her tenure were:

- Licensed Cosmetology Instructor - Texas & Tennessee
- CHI Farouk Systems Master Educator - Color & Curl Specialist
- Ashlee Norman Hair Team – Lead Texture Specialist
- The Beehive Creative Collective – Founder & Educator
- BTC (Behind the Chair) Top 5 Finalist, Collaboration Category
- The Real Dirty Dancing – Hair Stylist (TV Production)
- New YorkFashionWeek - Master Stylist

Coneic never hesitated to use her gifts to give back to the community. She could be seen anywhere hosting back-to-school drives, volunteering to help new stylists with branding building, and even public speaking at community events and for nonprofit organizations nationwide.

She was preceded in death by her mother, Eldedr Jesse Mae Parker and both sets of grandparents, Hannis & LouEtta Prince, Jimmie Lee & Dorothy Parker, Lillie Mae Boyd, and Ellener Woodard.

Coneic's greatest joy was her bio, blended, and extended family. She leaves behind cherished memories with her husband, Marcus Price; her children, Jaelin Brown (Anna), Jillian Parker, and Jacelynn Grace Parker Jones; her grandbabies, Leilani, Kai, and Giani Brown; her fathers, Hilton "Mickey" Johnson (Rachelle) and Jimmie Parker Jr. (Claudetta); her siblings, Keturah Parker, Jonathan Parker, and Mia Gardner-Mitchell (Bill); her uncles, Elgin Woodard (Mercedes), Frank Parker, and Clifford Johnson; her aunts, Annie Nelson (Samuel), Pamela Mock, Pearl Griggs, Cheryl Prince, Valerie Thurman; her aunt-in-love, Dr. Angela Carter; niece, Jace Parker Hunter; nephew, Carter Gardner; best friends, Tonja Holmes and Genia Church; and a host of beloved relatives, friends, clients, and colleagues nation wide.

Coneic's life was a testament to her love, passion, and dedication to help us all find our beauty, our bravery, and our brilliance that make us all unique souls.

FROM YOUR BEE, *WITH LOVE*

If I could buzz back, just
one more flight,
I'd land on your heart in
the soft moonlight.
You always said I was
sweet with a sting—
Sharp with my words but
made your soul sing.

I danced in your laugh, I
lived in your chest,
Built my little hive where
your love felt best.
Queenin' wasn't easy, but
you were my throne,
Even heaven knows, I still
call you home.

Words of Comfort

Coneic Price (Beloved) 12/9/2022 was the day my life shifted and elevated in so many ways! Eyes opened, heart opened and welcomed in a TRUE Love, Best Friend and Hidden Gem! Coneic I am so grateful we didn't get in our way this night! The moment we met was our true beginning to a Lovely Abundant Life! The daily prayers to each other text across state lines while we were still dating was confirmation that I was in the right place (with you)! I miss watching you pull your phone out everywhere we went so you could get content. I miss you so much. We have so many memories in such a short amount of time. We laughed, we loved hard and we created a safe space for each other to heal and I will always be grateful that God placed you in my life! I Love You Beloved!
